

Rep. Brad Stephens'

LASSO A GOOD BOOK

- 1) To be a summer reader, Kindergarten through 8th graders must read ten books during their summer vacation. Books for local library programs are also acceptable, and books over 150 pages may count for two books!
- 2) After reading the books, please have your parents visit RepStephens.com and click "Lasso a Good Book Summer Reading Program," where you can list how many books you read over the summer. Submission of this Google Form or paper form is due by August 1st, 2022. If using paper form enclose a page with additional books.

- 3) All participants that read 10 books will receive a voucher for two tickets to see the Chicago Wolves at the Allstate Arena during the 2022-23 Season. Rep. Stephens will also have informational brochures on state and local programs available.
- 4) The individual who reads the most books beyond the 10-book goal—this summer's "Grand Champion"—will receive two tickets for the B96 Jingle Bash in December 2022.

Keep Track of Books You've Read!

Signature of parent or guardian

Dear Friend,

I am glad you are participating in my summer reading program! Reading is an excellent way to grow your imagination and learn about new people, places, and things—both real and make-believe.

I encourage you to visit your local library to find your books to read this summer and discover new adventures that await on the pages. We have terrific libraries in our community filled with lots of books to explore.

I hope you have a wonderful summer vacation this year and enjoy this challenge. Best of luck and have a safe and happy summer!

Sincerely,

A stylized, handwritten signature in blue ink, appearing to read 'K. J. ...'.
